Gehan Liyanage

DevOps Enthusiast | Nalandian | CS Undergraduate | Uva Wellassa University
Colombo, Western Province, Sri Lanka

Summary

I'm Gehan Chamikara Liyanage. To further enhance my skills and knowledge, I am excited to embark on a journey towards a BSc (Hons) in Industrial Information Technology, focusing on the intersection of technology industry.

Experience

Ms Club of Uva Wellassa University
1 year

Webmaster
November 2025 - Present (1 month)

Media Coordinator
December 2024 - October 2025 (11 months)

In my role as the Media Coordinator at Ms Club of Uva Wellassa University, I successfully managed the club's social media platforms, creating engaging content to showcase our activities and enhance student engagement. By working collaboratively with my team, we were able to promote technological initiatives that furthered our club's mission.

Medium
Blogger
July 2024 - Present (1 year 5 months)

I am writing Tech Articles
https://medium.com/@gehanliyanage

Microsoft Learn Student Ambassadors
Technical Training
May 2024 - September 2024 (5 months)

Technical Training is conducted via a Cloud Skills Challenge hosted on the Microsoft Learn platform. It covers AI concepts (including generative AI) and Azure AI services (including Azure OpenAI). It also covers business concepts to launch a startup
